FRIDAY NIGHT HIGHLIGHT EVENT

Networking 6:30-9:00pm

DENVER MUSEUM OF NATURE AND SCIENCE

On Friday Night, NCPG will host a reception and light dinner with the opportunity to experience the new exhibition, Leonardo da Vinci: 500 Years of Genius. Spend the evening exploring and socializing amidst da Vinci’s extraordinary legacy—see nearly 70 of da Vinci’s machine inventions, view the exclusive “The Secrets of Mona Lisa,” test a Leonardo-inspired catapult, and encounter the Museum’s historical enactors.

You’ll have access to Leonardo’s notes and sketches of his artistic, scientific, and technical observations. You’ll get to explore his genius through carefully created reproductions of several of his manuscripts. The best part—no additional ticket is needed! This event is included in both the Main Conference and Friday registration fees. The Museum is 1.5 miles from the conference hotel and shuttle transportation will be provided. Guest tickets available separately – bring a friend!
