NCPG
National Council on Problem Gambling

Yes! I will support NCPG and the National Problem Gambling Helpline

Please support the National Problem Gambling Helpline Network and the National Council on Problem Gambling. **Your gift of $12, $48 or $96 for one, four or more hours of Helpline services** (call, text and chat) will **save lives** and help people start on the road to recovery or get help for a loved one. 27 call centers across the country, funded by other stakeholders, respond when our network routes calls and texts to them. We also support an online peer network group provided by another stakeholder at www.gamtalk.org. **In some areas, this is the only way to get help** and information on problem gambling, like:

- What are the signs of problem gambling
- Find a local counselor, GA meeting or other local help – 24/7, free, confidential
- How to help a loved one or colleague who may have a gambling problem

Answer the call! No gift is too small, and every gift helps. It's easy to give by mail or fax using this form, or **online: ncpgambling.org/donatenow**. NCPG's Board of Directors and staff extend heartfelt **thanks**.

Yes! I will help answer the call to support the National Problem Gambling Helpline Network Services.
