Yes! I will help answer the call by supporting the National Council on Problem Gambling and the **National Problem Gambling Helpline Network**— calls increase every year in March and December and new services via text and chat are growing too, helping more people than ever. **My gift of \$12 for one hour of Helpline Network (HN) services** will help people start on the road to recovery:

- Information on how to get local help for gambling addiction – 24/7, anytime, anywhere
- How to help a loved one or colleague who may have a gambling problem
- Increase access to help by text or chat from computers and mobile phones

No gift is too small, and every gift helps. Make your tax-deductible contribution by mail or fax **or online** at www.ncpgambling.org/donatenow. NCPG’s Board of Directors and staff extend heartfelt **thanks** on behalf of the hundreds of thousands of people whose calls for help will be answered.
