Q1 Prediction markets allow people to buy and sell contracts based on what they think will happen in the future. By leveraging the "wisdom of the crowds", these markets combine information to set prices that represent the probability of an event (e.g., elections, sports, economic outcomes) occurring.
Based on this, which of the following do you think prediction markets are most similar to? Please select one response.

Q2 Please think of your child(ren) under 18 when answering the next few questions.
How concerned are you about your child(ren) participating in gambling activities (sports betting, prediction markets, lottery play, fantasy sports apps) before they are legal gambling age?

Page Table Title

- | | | |
|----|----|---|
| 1 | 1 | Q2102 Are you the parent/legal guardian of any child/children who is/are...? Please select all that apply. |
| 2 | 2 | Q2102 Are you the parent/legal guardian of any child/children who is/are...? Please select all that apply. |
| 3 | 3 | Q1 Prediction markets allow people to buy and sell contracts based on what they think will happen in the future. By leveraging the "wisdom of the crowds", these markets combine information to set prices that represent the probability of an event (e.g., elections, sports, economic outcomes) occurring. |
| 4 | 4 | Q1 Prediction markets allow people to buy and sell contracts based on what they think will happen in the future. By leveraging the "wisdom of the crowds", these markets combine information to set prices that represent the probability of an event (e.g., elections, sports, economic outcomes) occurring. |
| 5 | 5 | Q2 Please think of your child(ren) under 18 when answering the next few questions.
How concerned are you about your child(ren) participating in gambling activities (sports betting, prediction markets, lottery play, fantasy sports apps) before they are legal gambling age? |
| 6 | 6 | Q2 Please think of your child(ren) under 18 when answering the next few questions.
How concerned are you about your child(ren) participating in gambling activities (sports betting, prediction markets, lottery play, fantasy sports apps) before they are legal gambling age? |
| 7 | 7 | Q3 Have you ever talked with your child(ren) about the risks of gambling? |
| 8 | 8 | Q3 Have you ever talked with your child(ren) about the risks of gambling? |
| 9 | 9 | Q4 Which of the following resources would make it easier for you to talk with your child(ren) about gambling and its risks?
Select all that apply. |
| 10 | 10 | Q4 Which of the following resources would make it easier for you to talk with your child(ren) about gambling and its risks?
Select all that apply. |
| 11 | 11 | Q5 In some states, you have to be 18 to gamble; in others, you have to be 21. Do you support or oppose raising the legal age to gamble, including sports betting and prediction markets, to 21 nationally? |
| 12 | 12 | Q5 In some states, you have to be 18 to gamble; in others, you have to be 21. Do you support or oppose raising the legal age to gamble, including sports betting and prediction markets, to 21 nationally? |
| 13 | 13 | Q6 How much do you agree or disagree that professional sports leagues that promote sports betting are sufficiently addressing the prevention of underage gambling? |
| 14 | 14 | Q6 How much do you agree or disagree that professional sports leagues that promote sports betting are sufficiently addressing the prevention of underage gambling? |
